# About the Workshop

Join us in supporting and/or attending the **NE-MW Regional Prescribed Fire Science and Management Workshop** —being held in Albany, New York, at The Hilton Albany August 19 – 22, 2024.

Sponsored by the Northeast Regional Strategy Committee (NE RSC), a regional organization chartered by the national Wildland Fire Leadership Council (WFLC) to coordinate and support the implementation of the National Cohesive Wildland Fire Management Strategy across the 20 Northeast and Midwest states.

## REGIONAL WORKSHOP

- Provide a forum for all wildland fire management partners to share region-wide, science-based, fire ecology information oriented toward expanding and maintaining the use of prescribed fire across all landscapes, jurisdictions, and fire-dependent ecosystems.
- Provide an opportunity for scientists, managers, and practitioners across the 20-state region to share prescribed fire related experiences, successes, and potential solutions to implementation challenges.
- Provide an opportunity for agency leaders and managers to interact with state prescribed fire councils and other key partners.
- Serve as a model for future annual or biennial workshops.
